

AAA Online Drivers' Education

NC Teen Stats

- Traffic deaths are the #1 killer of teenagers.
- NC is the 10th most populous state.
- 3rd in the nation for 16-17 year old driver deaths in 2010.
- NC was 2nd in the nation for 16-17 year old driver deaths for the first 6 months of 2011.

(2011 GHSA Study)

AAA Online Student Survey

- 66.7% said their driving habits have improved since completing the AAA Traffic Safety Online course.
- 76.9% said they speed less while driving now than before they completed the course.

Dr. William Van Tassel

- Manager, Driver Training Operations, AAA National Office
- Member, *National Driver Education and Training Administrative Standards* Core Development Team
- Published multiple peer-reviewed articles in journals and proceedings related to traffic safety.

AAA SUGGESTIONS

- Pilot should be professionally evaluated by those with Traffic Safety expertise.
- Needs to meet Federal National Driver Ed. Standards.
- Needs to teach proper driving behaviors.
- Evaluation tools have been developed by AAA.
- No exclusivity to pilot providers.
